There is already a detailed and effective system for dealing with all types of Unacceptable Conduct in Scottish Football. this includes all of the above and more types of misconduct.

Page 13: Financial implications

Q7. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly costneutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) Football clubs	X					
(b) Football supporters and other individuals	X					
(c) Scottish Government and public sector bodies (such as Police Scotland)						X

Please explain the reasons for your response.

(a) Football clubs A system of strict liability would leave us open to crippling and business ending costs arising from the visit to our Home ground of a bigger Club with a large travelling support which engaged in Unacceptable Conduct. We could do nothing to stop it and our security and police could not and would not intervene leaving us with an open ended liability for misbehaviour for which we had no responsibility and about which we could do nothing. (b) Football supporters and other individuals Ultimately the supporters who buy entrance to matches would have to meet the financial liability for sanctions.
